Discount Offer

to delegates of the
**Australian Accountants and Lawyers
Conference Steamboat 2007**

Inski is pleased to be involved with the Conference once again and are proud to sponsor the race day.

With our summer sale prices I believe we are well placed to give all our customers value for money on their ski and snowboard equipment and clothing.

Extra Discount Offer for Conference Delegates and their Families

We will give you an EXTRA 10% DISCOUNT on any purchase and an EXTRA 20% DISCOUNT on any hire that you may wish to make between now and the conference.

Additionally, for each new pair of HEAD skis purchased from us you will receive:

- one new CARRERA goggle (RRP \$189);
- one men's HEAD polo shirt (RRP \$99); and
- one ladies HEAD polo shirt (RRP \$85).

Please note the shirts come in one colour, but all sizes. The above may not be available immediately on purchase at the store and are subject to availability. This offer is made possible by HEAD and CARRERA.

Delegates may also wish to discuss how to seek a refund on the GST for ski equipment purchased within four weeks of their international departure.

Please ensure that you bring this letter with you as this offer is not open to the general public.

I wish all the delegates and their families a great time in Steamboat and good luck on race day.

Yours sincerely,

Paul Ford
Director
